Activity 4.3 Your Name:

Talking With Parents About Red Flags

Choose a "red flag" from the file Red Flags in the Unit Four resources. Imagine that a child in your care is exhibiting this red flag and you decide to bring it up to the child's parent.

Write a short script for how you will start this conversation. What will you say to the parent that will protect the parent's feelings while at the same time getting this red flag the attention it needs?

Save your work to your computer, then email it to info@patriciananderson.com. Put Activity 4.2 in the subject line.
